Expressions of Thanks from the 50th Anniversary Birthday Celebration

Thanks to everyone who helped make last weekend such a success! It was so good to see friends from the great past of IVBC. Prayers are for some great years to come with your new pastor.

Sincerely, Linda Hunter Rackley

Thanks so much to all who organized the IVBC reunion! It was a wonderful opportunity for me to renew friendships and connect with so many people I love and who loved my family during our 18 years there.

My husband, Don, picked up a copy of "You've Got the Time", which has been so meaningful to me during my travels in the last week. It is so well done! He said that you also had a children's version which I plan to order for my grandchildren.

Thanks for making us aware of that resource to enrich our faith and offer to others who need to hear the New Testament!

We will be praying for IVBC as you go through the process of calling a new pastor.

Blessings, Gayle (Ferrell) Aiesi

Dear Friends and Members of Island View,

What a wonderful weekend of renewal and celebration as we gathered on the campus of Island View Baptist to celebrate 50 years! The Ladies Breakfast at the beautiful home and gardens of Greg and Regina Rogers was outstanding with the delicious food prepared by so many hands. The reunion choir rehearsal and selection of music under such gifted, talented men; the ministers' leadership and messages both days; the music from the instruments followed by a wonderful lunch shared with long-lasting friends, as well as the clearing and tearing down of tables; and the constant clicking of cameras to capture the moment made an outstanding weekend. A big thank you to ALL who had such a specific part in making this event happen!! It took each little piece interlocked together to make the picture complete.

I'm excited for you with today's announcement of a new pastor's review mid-May.

We join our prayers with yours from a grateful and thankful heart,

Cliff and Myrna Janney

I am filled with excitement about Kevin, Andrea and Karis Collison coming to be with us this weekend. We have been praying for what seems like forever for the Pastor Search Committee as they were seeking God's man to come to be our pastor, and now our prayers are being answered. The Committee members have been tireless prayer warriors themselves, bathing each of their decisions in prayer before they made a move. Their story has been one of amazement and wonder as God has led them each step of the way.

Kevin, Andrea and Karis

By now you have had an opportunity to read the brochure the Committee prepared for us and you are beginning to understand the excitement they have felt as they were on this journey and continually experiencing God at work in "real time," an expression that has become one of their favorites.

I've had the privilege of spending time with Kevin privately, as well as with Kevin and Andrea socially, and I determined that his only weakness might be that he is not left-handed, like me. We also had a special time sharing about worship, ministry and how God has been at work preparing us as well as them for this time. The rest of our time was spent talking about this wonderful body of believers called Island View Baptist Church.

I am asking you to be in prayer as the Collison family travels to be with us this coming weekend and for our services as we gather together as a family to worship God.

Be sure and invite guests to join us as we worship, and make your plans to come back for the 4:00 p.m. forum and get to know Kevin and Andrea better. I promise you will be blessed!!!
