Photo Consent Form for Children under 18

This **Photo Consent Form**, when signed, will allow Island View Baptist Church to publish your child's photo image and personally identifiable information in news releases and/or church publications. This includes printed or electronic publications, websites, and other electronic communications.

As you are aware, there are potential dangers associated with the posting of personally identifiable information on a website since global access to the Internet does not allow us to control who may access such information. These dangers have always existed, and the law requires that we ask for your permission before publishing any information about your child.

Pursuant to law, we will not release any personally identifiable information regarding your children under the age of 18 without prior written consent from you as parent or guardian. Personally identifiable information includes child's name, photo or image, residential address, e-mail address and phone number.

If you, as the parent or guardian, wish to rescind this agreement, you may do so at any time, in writing, by sending a letter to the Administrative Assistant at Island View Baptist Church requesting your rescission. Your rescission will take effect upon receipt of your letter by the church.

By signing this form you are giving Island View Baptist Church permission to use your child's photo image with his/her personally identifiable information as mentioned above. You will not receive any compensation for the use of these images and all negatives, pictures, and digital images will become the property of Island View Baptist Church.
